Once at the train, you meet young Harry Potter and his friend Ron Weasley. It is only after Harry and Ron depart that you discover you are actually Madam M. J. McGonagall, a professor at Hogwarts School of Witchcraft and Wizardry! The story then moves to the present where we find Madam M. J. McGonagall as a teacher at Hogwarts School of Witchcraft and Wizardry speaking to her first year students about the upcoming Halloween Feast:

The first major update for Hogwarts Mystery launched on October 25, 2018 and introduced Professor Trelawney as a main character in the game's storyline alongside Professor McGonagall as well as new locations such as Diagon Alley and Hogsmeade Village.
